

Applications

- Breaking out penetrations in concrete and enlarging openings in walls
- Removing masonry
- Concrete preparation using bushing tools
- Renovation work on staircases, balconies and in garages
- Removing plaster and tiles for extensive renovation work

Outperform

- Optimized electro-pneumatic hammering mechanism and innovative SR motor for powerful breaking performance
- Constant high performance even when the voltage drops
- Built-in Active Vibration Reduction (AVR) system, minimizes vibration and allows for longer periods of use without tiring
- Lockable switch for easy sustained operation during long periods of use
- Side handle with full radial and axial adjustments for a secure grip in virtually any position
- TE-YP Polygon Self-Sharpening Chisels achieve peak performance without need for re-sharpening

Outlast

- New brushless SR motor eliminates need to replace carbon brushes and provides longer intervals between service
- Active Cooling System for the motor, electronics, and hammering mechanism keeps the tool and its casing cool for added durability
- Dual lubrication chambers mean longer tool life with fewer breakdowns

The powerful, compact renovator.

TE 700-AVR Demolition Hammer

The new Hilti TE 700-AVR Demolition Hammer is built for comfort and has been specially designed for extensive interior renovation work. Weighing in at only 17.4 lbs. with 8.5 ft-lb of impact energy, it races through any job. This tool achieves impressive breaking performance, while the Active Vibration Reduction (AVR) system keeps vibration to an absolute minimum for increased comfort and productivity. Featuring an ergonomic grip design, as well as an optional TE DRS-B Dust Removal System, the TE 700-AVR helps you get the job done.

*Some limitations apply. Contact Hilti for details.

Hilti. Outperform. Outlast.

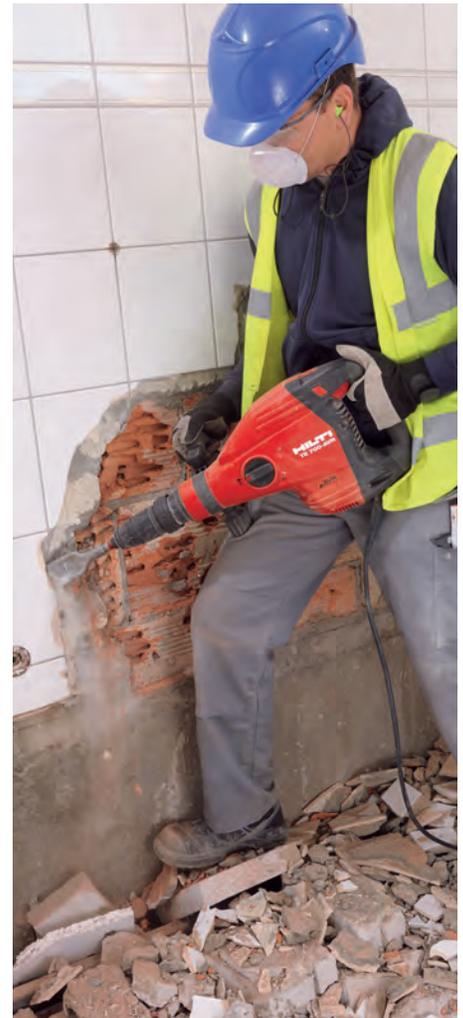

Technical Data	TE 700-AVR
Rated input	1300 W
Single impact energy	8.5 ft-lb
Full hammering frequency	2760
Weight	17.4 lbs
Dimensions (L x W x H)	22.2 x 4.9 x 9.8 in.

Order Information

Description	Package Contents	Item No.
TE 700-AVR Performance Pkg (Flex)	Includes tool and a choice of (1) TE-YP Self-Sharpening Chisel (any length)	03484552
TE 700-AVR Performance Pkg (Fixed)	Includes tool, (1) TE-YP SM 36 Pointed and (1) TE-YP FM 36 Flat Self-Sharpening Chisel	03484793

Accessories

TE-YP SM 36 Pointed Chisel	00282264
TE-YP FM 36 Narrow-Flat Chisel	00282268
TE-YP SPM 5/36	00282273
TE-Y BSPM 800 Flexible Chisel	00252462
TE SKHM Bushing Tool	00062893
TE-DRS-B Dust Removal	00365944
